Tänk på att...

Leicester ser allt bättre ut. Men nu tappar man tre startspelare till afrikanska mästerskapen: Riyad Mahrez (20 matcher/3 mål), Daniel Amartey (17/1) samt Islam Slimani (13/5). Dessutom är Jamie Vardy (17/5) och Andy King (15/1) frågetecken för spel mot serieettan Chelsea. ... Huddersfield lånar in Chelseatalangen Izzy Brown, fw, som fram till nu varit utlånad till Rotherham.

Spikarna

Veckans Stryktipskupong ser klart knepig ut. Det finns få självklara spikar - men vi gör ett tidigt tapper försök. Arsenal har efter två raka segrar spurtat bra i slutdelen av de senaste två matcherna. Det betyder att formen är fortsatt helt okej och att man normalt slår Swansea. Crystal Palace, som nu även saknar Wilfried Zaha, har hemsk form. Finns inte mycket som tyder på att det vänder mot West Ham. Etta.
