Sex poäng till kvalplatsen, men ett tacksamt spelschema

Det börjar bli kallt, löven ramlar till marken. Hösten är bevisligen här. Kan ge vem som helst ångest – men det är nog ännu värre för bottenlagen i allsvensk...

Ser nattsvart ut för tabell-ljumbon Halrnstsd. Minimal chans. AFC Eskilstuna har varit utdömd mer eller mindre från första omgången...

platsen, men samtidigt ett ganska tacksamt spelschema. Först ut: ett form-svagt, föga motiverat, Elfsborg. Hemma, dessutom. Därefter Halrnstsd – som vid det laget kan vara ut-räknat och därmed även...

motivationslöst och säker-ligen en aning depiggt. I sista omgången avslutar man hemma mot Sirius. Även det en ganska tacksamt uppgift. Jönköpings Södra och Gif Sundsvall kan inte slappna av.

... klassiska tips-DM där igång den här helgen. Det fungerar så här: Pågår i sex veckor, du kan tävla både individuellt och i lag. Du ska tippa ett 64-radars-system på Stryktipset, varje lördag...

Varning

Äntligen! Så kände nog alla Crystal Palace fansenast. Efter sju raka förluster och noll gjorda mål gick man plötsligt och vann – mot självaste Chelsea. Såger inte att det var vändningen, men lär ha gjort gott för moralen.

Spikarna

Burnley ser ovanligt starkt ut. Redan sju veckor i ljeten för flera toppar, men nu väntar motstånd av värsta tänkbara kaliber. Manchester City har så många vapen och så mycket klubb, måste ses med toppchans. Trots att man har Champions League-match i benen.
