Tänk på att...

... Arsenal hoppas ha offensiva mittfältaren Mesut Özil tillbaka. Var krasslig i helgen och missade matchen mot Burnley. ... Manchester United-tränaren José Mourinho hyllade Brighton efter matchen senast, bland annat med orden "ska jag vara ärlig förtjänade dom poäng för sin insats". ... Swansea bara har haft 24 skott på mål så här långt i Premier League. Svagt! ... Man City hade bollen 80 % av tiden senast.

Spikarna

Stor risk för soppatorsk hos Huddersfield. Enormt energikrävande match mot Man City, där man bara fick jaga boll. Extra tungt med ett så pass sent baklängesmål. Arsenal måste ses med toppchans. Southampton kunde enkelt manövrera bort ett trasigt Everton. Helt annat motstånd nu. Kammar noll borta mot Manchester City? Sheffield Wednesday är en sund spik på Styktipset.
