Cardiff har vunnit ordkriget - men förlorar på planen

Chelsea vs Cardiff. Inte säsongens mest spännande match i Premier League. Det mesta pekar på en rutinärt hemmaseger. Men det finns en bakgrundshistoria, som sätter lite extra krydda på tillställningen.

Tänk på att ...

... Det är trevlig jackpott på Ströyktipset. ... West Ham har spenderat stora pengar inför den här säsongen, men efter fyra omgångar så är man alljämt poänglös.

Varning

Arsenal känns inte alls stabil. Hade tur som bara släppte in ett mål mot West Ham. Fick två mål i baken senast, mot ett Cardiff som innan dess var mållöst.

Spikarna

Cardiff lyckades bryta sin måltörka mot ett riktigt Arsenal senast. Är dock normalt sett sett och trubbigt. Helt annan uppgift nu. Chelsea har fått en flygande start under Maurizio Sarri. Ska röra sig om toppchans. Gillar också Brentford till 61 procent.
